

7 WONDERS™

F.A.Q.

BASIC GAME

Q: Does the effect of the Lighthouse (1 coin / yellow card) apply to itself?

A: *Yes. In all cases, the card is built (building, Wonder) and then its effect is applied.*

Q: Can I buy the resource from a card played this turn by a player next to me?

A: *No, the only resources which can be used are those which were available before the card was played.*

Q: Is the resource found on a Wonder board considered to be a brown (gray) card?

A: *No.*

Q: When a card grants coins, is that money taken when the card is played or at the end of the Age?

A: *As a general rule, when a card grants coins, that money is gained when the card is played.*

Q: Should the Wonder stages be built according to the Era being played (1st stage at Age 1, 2nd stage at age 2...)?

A: *No, you can build them during any era. You only have to build them in the correct order. Also, building them remains optional...*

LEADERS EXPANSION

Q: Using Solomon (take a card from the discard pile and put it in play for free) or stages of Halicarnassus, can I use this card to build a Wonder stage?

A: *No.*

Q: With stage 3 of Olympia's B side, I copy the Guild of Courtesans. Do I then need to copy the effect of the Leader where the Courtesan token is, or do I get my own virtual Courtesan token which I can use as I want?

A: *You get your own virtual courtesan token.*

Q: Are the powers of the Leaders cumulative?

A: *Yes, and the effect of a Leader is active during all Ages (except for one-time use powers).*

Q: Does the second stage of Olympia (A) allow you to play a Leader for free?

A: *No, that power only applies to buildings.*

CITIES EXPANSION

Q: Is Berenice's effect (each income earned from the bank is increased by 1 coin) also applied to the 4 starting coins from Manneken Pis - Brussels?

A: *No.*

Q: Can a player chooses to gain debt tokens?

A: *No, only the black cards with this symbol  can cause players to incur debts.*

Q: If I have the coins required to pay off a black card with this symbol , can I instead choose to take debt tokens in order to keep my money?

A: *Yes.*

Q: In a given turn, can the coins given by another player during that turn be used to pay off a coin loss?

A: *Yes.*

Q: During a 3-player game, two of the players have a Diplomacy token. What happens during the conflict resolution?

A: *The third player gains no military Victory/Defeat tokens, as they have no opponent for that conflict.*

Q: During a team game, two players which should face each other both have a Diplomacy token. How is the conflict resolved?

A: *Both players get no tokens for the conflict.*
